

I'm Pastor Daniele Forte. I was born November 1979 in Bari Italy. I'm a graduate of Carmel Bible College UK, where I learned Theology and to speak and write in English. After my tenure there they send me out to preach teach and worship in diverse ways but mainly to make disciples.

Initially they sent me out to Start Bible Schools in Italy. My life and love for God included and permitted me the latitude to express my devotion and Love for the Lord in a multiplicity of ways. The Lord has gifted me as a musician to express my passion for Him in praise and worship. This desire which is placed in my heart has given me impetus to translate and compose music into Italian. I've also written songs, writing my own lyrics and music. I've also recorded and produced my own album. This provided many opportunities to conduct concerts in Italy and England.

But my main calling is to evangelize the Nations starting in my home in Bari, Italy.

**But my main calling is to evangelize the Nations** starting in my home in Bari, Italy.

**Today** God is resuming my major Calling in Bari, Italy. To Replant new Churches and Bible Schools, this based on the former projects which led me to raise up Pastors and churches and to teach Bible classes in English. These works were spawned from the refugee camps in Italy.

The camps are comprised of Africans and Arabs escaping the tyranny of their respective countries. Their first entry in Italy is directly into these camps where over the years we've presented the gospel Of Christ to these people groups. The result; many have been converted to the faith of the Lord Jesus Christ, we have successfully, taught them Bible and Theology.

These camps over the years has created many leaders which we sent out to start their own ministries. They regard me as their father in the faith.

**We've now** branched out starting a New Church in Bari under the guidance and oversight of **Christians United** a consortium of Apostolic Fathers who have impacted my life over the years. As you keep us in prayer, I would like to inform you that I'm available to share our vision with your church about this ongoing work. Please help support us in prayer. If you would like to donate to our work, we can assure to credit you with a tax-deductible contribution statement.

Thank You and may the Lord Bless you.
